**TAILORED**  
**FOR FUNCTIONALITY**

TRESPA®

## Future-proofed to inspire

Innovation for Trespa means providing not only advanced scientific solutions engineered to last, but also – and especially – tailored solutions to meet the specific needs of different customers, in a wide range of applications. Alongside the Trespa® TopLab® PLUS and Trespa® TopLab® VERTICAL ranges, the Trespa® TopLab® BASE range satisfies the demands of workplaces where impact and wear resistance is of great importance, while chemical resistance is not critical. We also offer a colour range in line with the expectations of designers aiming to create inspiring environments for the workplace.

FUTURE  
PROOFED

## TRESPA® TOPLAB® BASE

Trespa® TopLab® BASE ensures Trespa's high standards in terms of durability, making it the preferred choice for sectors such as education, laboratories and institutions. Thanks to its high impact and wear resistance, it is especially suitable for applications such as worktops and cabinets where chemical resistance is not critical.

## Why TRESPA® TOPLAB® BASE in one glance

**SCRATCH  
& WEAR  
RESISTANCE**

Tested with diamond-tip point  
and abrasive paper

**IMPACT  
RESISTANCE**

Solid and sturdy panels  
for everyday use

**EASY  
TO CLEAN**

Proven by third-party  
evaluations

**SUITABLE  
FOR CONTACT  
WITH FOOD**

Tested according  
to international standards

**SMOOTH  
MACHINABILITY**

Comparable to  
high quality hardwood

**QUICK  
INSTALLATION**

Using various visible  
or invisible fixing solutions

## 10-YEAR PRODUCT WARRANTY

Our panels are born to last. We want our customers to feel as confident as we are about the durability of the Trespa® TopLab®<sup>BASE</sup> range.

This is why we offer a 10-year conditional warranty on our product lines. To learn more about our warranty, please visit [Trespa.info](https://www.trespa.info).

## TESTING, CERTIFICATION AND BRANCH ASSOCIATIONS

Trespa products for scientific surface solutions are tested and certified according to international standards in relation to chemical resistance, low emission, food contact and other properties.

Trespa® TopLab®<sup>BASE</sup> is certified under the GREENGUARD Gold Certification program and ISEGA Certification program.

Trespa International B.V. is a member of SEFA (Scientific Equipment and Furniture Association), EGNATON (European Association for Sustainable Laboratory Technologies) and VIP3000 (Association for Cleanrooms and Pharmaceutical Construction).

## OUR COMMITMENT TO RENEWABLE RESOURCES

The Trespa® TopLab® line has been granted an Environmental Product Declaration issued by EPD International AB.

## DISCLAIMER

### GENERAL

These terms apply to the use of this document and such use automatically means that the other party agrees to these terms. The information provided by Trespa International B.V. ("Trespa") in this document is solely indicative. Trespa is unable to warrant the accuracy and completeness of this information. Trespa may change the information included in this document at any time and without further notice. Trespa's customers and third parties must ascertain that they have the most recent document (for the most recent version, please consult: [www.trespa.com](http://www.trespa.com)). No rights can be derived from the information provided; the use of the information is at the other party's risk and responsibility. Trespa does not warrant that the information in this document is suitable for the purpose for which it is consulted by the other party. This document does not contain any design, structural calculation, estimate or other warranty or representation that customers and third parties may rely on. This document does not guarantee any properties of Trespa products. Colours used in Trespa's communications (including but not limited to printed matter) and in samples of Trespa's products may differ from the colours of the Trespa products to be supplied. Samples are not intended for use in product tests and are not representative of characteristics of the Trespa

products. Trespa's products and samples are produced within the specified colour tolerances and the colours (of production batches) may differ, even if the same colour is used. The viewing angle also influences the colour perception. Metallic panels feature a surface whose colour appears to change based on the direction from which it is viewed. The specified colour stability and colour specifications relate only to the decorative surface of the Trespa products, not to the core material and samples of the Trespa products. Trespa products are delivered ex-works with straight, sawn sides. Customers and third parties must have a professional adviser inform them about (the suitability of) the Trespa products for all desired applications and about applicable laws and regulations. Trespa does not warrant the above. The most recent version of the current delivery programme and the Material Properties Datasheet can be found at [www.trespa.info](http://www.trespa.info). Only the information in the most recent and valid Material Properties Datasheet should be used to select and provide advice regarding Trespa products. Trespa reserves the right to change (the specifications for) its products without prior notice.

### LIABILITY

Trespa is not liable (neither contractual nor non-contractual) for any damage arising from or

related to the use of this document, except if and to the extent that such damage is the result of wilful misconduct or gross negligence on the part of Trespa and/or its management. The limitation of liability applies to all parties affiliated with Trespa, including but not limited to its officers, directors, employees, affiliated enterprises, suppliers, distributors, agents, and representatives.

### GENERAL CONDITIONS

All oral and written statements, offers, quotations, sales, supplies, deliveries and/or agreements and all related activities of Trespa are governed by the Trespa General Terms and Conditions of Sale (Algemene verkoopvoorwaarden Trespa International B.V.) filed with the Chamber of Commerce and Industry for Noord- en Midden-Limburg in Venlo (NL) on May 9th, 2023 under number 24270677, which can be found on and downloaded from the Trespa website, [www.trespa.com/documentation](http://www.trespa.com/documentation). All oral and written statements, offers, quotations, sales, supplies, deliveries and/or agreements and all related work of Trespa North America, Ltd. governed by the Trespa North America General Terms and Conditions of Sale, which can be found on and downloaded from the Trespa website, [www.trespa.com/documentation](http://www.trespa.com/documentation). A copy of these general conditions of sale will be provided free of

charge on request. All general terms and conditions other than the conditions mentioned above are dismissed and do not apply, regardless of whether such terms and conditions are referred to on requests for offers, offer confirmations, stationery and/or other documents of the other party, even if Trespa does not expressly object to such terms and conditions.

### INTELLECTUAL PROPERTY

All intellectual property rights and other rights regarding the content of this document (including logos, text and photographs) are owned by Trespa and/or its licensors. Any use of the content of this document, including distribution, reproduction, disclosure, storage in an automated data file or the dispatch of such a file without Trespa's prior written consent is explicitly prohibited. ® Trespa, Meteon, Pura, Pura NFC, Athlon, Izeon, TopLab, TopLab<sup>PLUS</sup>, TopLab<sup>PLUS</sup> ALIGN, TopLab<sup>ECO</sup>FIBRE, TopLab<sup>VERTICAL</sup>, TopLab<sup>BASE</sup>, Trespa Essentials and Mystic Metallics, Virtuo, Volkern are registered trademarks of Trespa.
